AGENDA

Release Day & UserGroup

2023

Production Management Solutions
Today for Generations to Come

Welcome to PSImetals Release Day & UserGroup 2023 event in Düsseldorf!

Here you can discover the latest developments in the metals industry. To make sure you get the most out of your experience, we'd like to introduce you to the **Whova app**.

Within the app you can:

- View the event agenda and plan your schedule
- Ask questions directly to the presenters and panelists via Session Q&A
- Find who else is attending and reach out to people ahead of time

Everything at a glance in the event app: *Whova*

- ▶ Agenda
- ▶ Participants
- ▶ Group assignment
- ▶ Venue information
- ▶ Recent updates

1. Get our official event app

Scan the QR code below and download the Whova app on your phone or tablet.

iOS

Android

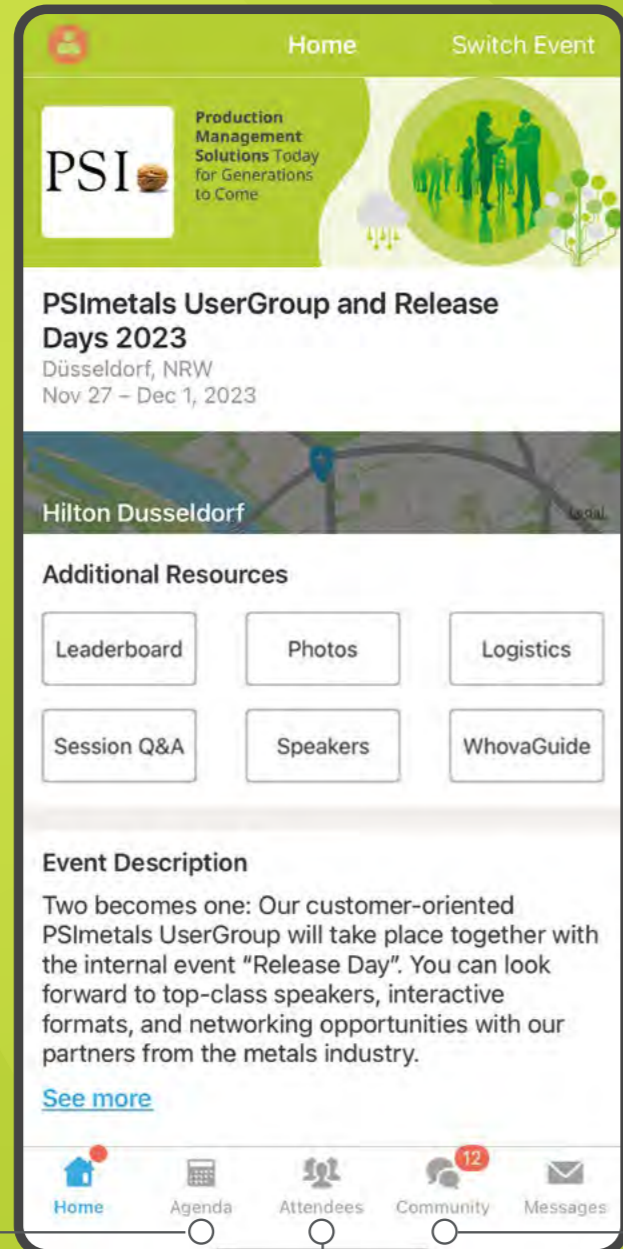

2. Step-by-step registration

- 1 Start Whova
- 2 Sign Up / Sign In (via LinkedIn / Facebook or Mail)
- 3 Click on „My Events“* or type into the search bar „PSImetals UserGroup and Release Days 2023“
- 4 Enjoy the event!

*The official event code is: **PSImetalsUGRD**

Whova App: Quick Introduction

Add scheduled sessions and other activities to create your own personal agenda.

Switch between „full agenda“ and „my agenda“.

Browse for attendees by different criterias or search by name.

Click the name to see the attendee's bio* and get in touch via message.

*You can adjust your own bio on the top of your profile

Add topics, create your own groups or join the existing groups.

Connect and experience the event together!

Two becomes one: The event at a glance

We are thrilled to announce our latest PSImetals Release 5.26 titled: “Supporting your Decarbonization Journey”!

The release is part of our commitment to provide metals producers with innovative solutions to lead their path towards industry digital transformation.

This year, we will have tutorials where our experts will guide you through the highlights of the new release. They are set to be launched on 7 December 2023.

Get access to exclusive contents, including a
whitepaper about our release 5.26 & tutorials:

We would like to hear what you think of the event

To ensure the quality of our future events, it is important for us to know your opinion about the PSImetals UserGroup 2023.

It only takes 3 minutes to fill in - this way you support our feedback culture and help us to constantly improve our events.

For leaving a review, please scan the QR-Code

Access to all released videos and presentations by our speakers

In about two weeks after the event, you will receive access to the released presentations and recordings so that you can optimally follow up on the PSImetals Release Day and UserGroup.

Registration on our collaboration platform is required to gain access to this exclusive material as well as other innovative insights and interactive content.

Visit our Registration Page for Collaboration Space, by scanning the QR code for detailed instructions on how to complete your registration.
